

AGREEMENT FOR DISTRIBUTION OF NEBIUS COMPUTING CREDITS IN ACCORDANCE WITH THE PRIZE DISTRIBUTION FROM THE META LLAMA HACKATHON

November 26, 2024

§ 1. PARTIES INVOLVED

This Agreement is entered into by the following individuals, hereafter referred to collectively as the "Team Members":

1. Kateryna Bielotserkovska
2. Aaditya Vaze
3. Erfan Miah
4. Alejandro Garcia Polo

1.1. BACKGROUND

The Team Members participated in the Meta Llama Hackathon Toronto hosted by Cerebral Valley, held from November 23 to 24, 2024. The team won first place, and as part of the prize, received computing credits worth \$25,000 from Nebius.

1.2. TERMS OF AGREEMENT

1.2.1. DISTRIBUTION OF CREDITS

The total prize of \$25,000 in Nebius computing credits shall be divided equally among all four Team Members. Each Team Member shall receive \$6,250 worth of computing credits (hereinafter referred to as "Individual Credits").

1.2.2. MODE OF ALLOCATION

- a. If the computing credits are provided as a single account or centralized pool, the Team Members shall ensure fair access, with each member entitled to a maximum usage equivalent to \$6,250 worth of credits. To ensure transparency, all usage shall be recorded in a shared log accessible to all Team Members. The method and location of this log shall be agreed upon in writing prior to usage.
- b. If the computing credits are distributed to individual accounts, each Team Member shall receive \$6,250 worth of credits directly.

1.2.3. USE OF CREDITS

Each Team Member retains the right to use their Individual Credits independently and without interference. No Team Member may access or utilize another's credits without explicit written consent.

1.2.4. GOOD FAITH AND COOPERATION

The Team Members agree to act in good faith and cooperate to ensure the equitable distribution and usage of the credits, irrespective of the allocation method. Examples of cooperation include:

- Timely communication.
- Sharing relevant information regarding credit access.
- Accommodating reasonable requests from other Team Members.

1.2.5. DISPUTE RESOLUTION

In the event of a disagreement regarding the allocation or usage of the computing credits, the Team Members shall first attempt to resolve the matter informally through discussions, to be concluded within 15 days. If unresolved, the matter shall proceed to mediation with a mutually agreed-upon mediator. Mediation shall take place within 30 days of initiation.

1.2.6. GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario, Canada.

§ 2. SIGNATURES

By signing below, the Team Members acknowledge and agree to the terms outlined in this Agreement.
